Cutting Edge Advice

You can spend the next five years learning it on your own, or the next five weeks studying with Sunny. It's up to you.

Sunny Harris Enterprises, Inc. (SHE) helps you get past the preliminary research, and onto your real goal — trading your systematic rules and mastering the markets.

SHE is the cost-effective solution to jumping that first hurdle.

- Intense Education
- Computer Selection
- Software Selection
- Data Selection
- Software nstallation
- Research & Design
- Systems Development
- Systems Testing & Evaluation

Unbiased Assessment

Sunny Harris Enterprises, Inc. (SHE) is the only company of its kind, offering unbiased assessment of trading tools and methodologies. SHE is not affiliated with any software or hardware vendors. We independently offer unbiased evaluations and recommendations based on your situation and needs.

SHE's years of research lets you avoid the trial and error process of evaluating what works for you.

Let SHE keep you from becoming overwhelmed with choices and decisions.

SHE's years of research lets you avoid the trial and error process of evaluating what works for you.
